Member management

" Chemnitz University Library has been using Libero for almost 20 years and is very satisfied with the system and the service. Libero is flexible, user-friendly and adaptable. In addition, a detailed eye to eye technical discussion with the tech savvy Libero team is possible."

Chemnitz University Library

Libero is for staff

Empower library staff by providing an efficient and comprehensive platform to manage a diverse range of tasks. From cataloguing and acquisitions to circulation and student and academic records management, Libero's intuitive interface simplifies complex processes, allowing staff to focus more on engaging with students and academics.

Libero is for students and academics

Enrich the student and academic experience with seamless online catalogue and user-friendly self-service options. Students and academics can explore the library's offerings with ease, fostering a sense of independence and convenience.

Libero's robust search and recommendation features ensures that students and academics can discover relevant resources, making their visits to the library even more rewarding and insightful. Whether for corporate collections, academic research, personal growth, or leisurely reading, Libero bridges the gap between users and the wealth of knowledge available from your library.

Visit libero.com.au to find out more about how we can elevate your library experience today.
