

# Elevating the library experience

Libero, a solution by Knosys, is your all-in-one library management system for elevating library success and delivering the best experiences for staff, members and visitors.

Developed by librarians in collaboration with industry experts, Libero is the secure cloud-based solution enabling accessibility and seamless interaction across all your devices.

**Circulation**

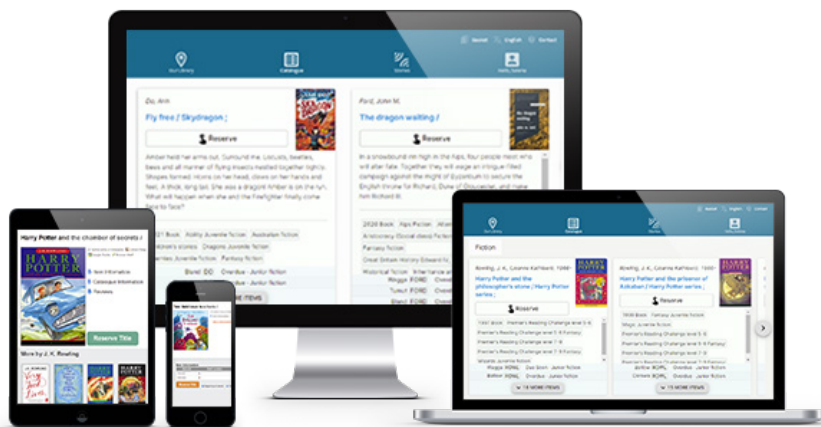

**Cataloguing**

**Serials**

**Reports**

**Workflow flexibility**

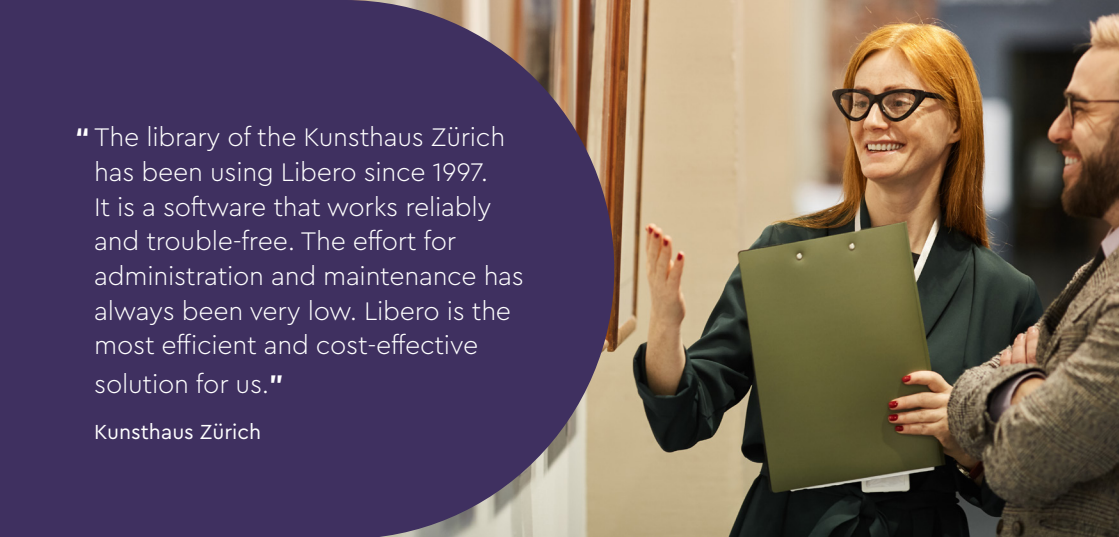

**Acquisitions and item management**

**Member experience**

**Member management**

"The library of the Kunsthaus Zürich has been using Libero since 1997. It is a software that works reliably and trouble-free. The effort for administration and maintenance has always been very low. Libero is the most efficient and cost-effective solution for us."

Kunsthaus Zürich

### **Libero is for staff**

Empower library staff by providing an efficient and comprehensive platform to manage a diverse range of tasks. From cataloguing and acquisitions to circulation and member management, Libero's intuitive interface simplifies complex processes, allowing staff to focus more on engaging with members and visitors.

### **Libero is for members and visitors**

Enrich library member experience with seamless online catalogue and user-friendly self-service options. Members and visitors can explore the library's offerings with ease, fostering a sense of independence and convenience.

Libero's robust search and recommendation features ensure that members and visitors can discover relevant resources, making their visits to the library even more rewarding and insightful. Whether for corporate collections, academic research, personal growth, or leisurely reading, Libero bridges the gap between users and the wealth of knowledge and information available from your library.
